**RESPONSE TO NOTICE TO COMPLY WITH REQUIREMENTS FOR PATENT  
APPLICATIONS CONTAINING NUCLEOTIDE SEQUENCE AND/OR AMINO  
ACID SEQUENCE DISCLOSURES**

Dear Sir:

With regard to the 17 February 2010 Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures, please find attached hereto a revised sequence listing that applicant believes is in complete accord with USPTO requirements for same.

The revised sequences are the same as those previously submitted with the only changes being those to the sequence identification information necessitated by the Notice.

The sequence listing below, that recorded in computer readable form submitted herewith and that in the application are all, to applicant's knowledge, identical. The sequence listing below and the attendant computer readable version contain no new matter.
